SUMMER CAMPS**

**We hope that this Summer Camp Reference will help your family take advantage of our safe, quality-oriented and fun-filled camps featured at the Glenwood Community Center and get the most out of the upcoming summer season.**

**Our program planners have put together a comprehensive assortment of activities and adventures for your children to enjoy and for you to schedule around your family vacation and other summer activities.**

**Arts & Crafts**

**Around the World with KidzArt**  
**Grades 1-3 / 1 wk starting Aug 16 / \$129 + \$25 materials fee**

Announcing a fun-packed journey to write home about! Come with us and zoom from one corner of the globe to another, exploring countries and cultures through vibrant art, as well as top-notch crafts. At each stop, campers will create a unique souvenir that will make them proud and remind them of their travels. At the beginning of our week, campers are issued blank "passports." They will look forward to receiving special stamps after their successful completion of each country's artwork. Participating Around the World campers will have the opportunity to learn skills that will last a lifetime through colorful art exercises and quality craft projects that both kids and parents will cherish. Campers will be encouraged to experiment with a wide variety of media, including clay, weaving, printmaking, pastels and more. Please wear old clothes and bring a snack (no nut products). Materials fee due at first class. For more information, call Terri Hilton at 410-313-4630.

### Chemistry Collision

How much fun can one day bring? Kids get to understand the three states of matter watching how "cool" dry ice can be. Melt metal and make the nastiest slime you can! What's the difference between an acid and base? Find out after you perform some super fast experiments and see how sticky sticky stuff can be! Each day you will bring at least two very cool experiments home. Bring snack and beverage (no nut products). For more information, call Danielle Bassett at 410-313-4634.

**Grades 1-3 / 5 days / \$189**

**RP1865.801 -Jun 21 9am-noonM-F**

**Grades 3-5 / 5 days / \$189**

## Red Hot Robots

**Grades 2-6 / 1 wk, start dates below / \$295 + \$15 materials fee**

Learn about the uses of robots in the world. Spend time playing with our super cool, red-hot robots. Use your skills to build your very own working robot to take home to "live" with you. Learn how robots discover the environment they are placed in using sensors like infrared. Working in groups, explore how robots work and how they can make our lives easier. Bring a lunch and beverage (no peanut products). Materials fee due on first day. For more information, call Danielle Bassett at 410-313-4634.  
**RP1864.801 Jun 21 9am-3:30pm M-F**

## Clay Animation

**7-11 yrs / 1 wk, start dates below / \$185**

This camp combines three things that kids love: clay, computers and movie making! Create a skeleton out of soft wire and cover it with a special clay to make creatures and objects that will star in your movie. Make a background for your scenes and then take over 100 photos of your clay in "action." Campers will download the photos in a software program that allows them to add titles and sound. With the press of a button, the computer converts the still images to a movie or animation. Bring home a DVD of your movie to share with friends and family. For more information, call Holly Harden at 410-313-4625.

**RP1752.803 Aug 9 1-3:30 pm M-F**

## Moviemaking

**7-11 yrs / 1 wk, start dates below / \$185**

Want to make your own short movie? Campers will work in teams to create, direct and act in movies. Once created, students will edit the movie with software that will do just about anything the big movie studios can do, such as adding titles and sound effects. Make a DVD of your movie to share with friends and family. For more information, call Holly Harden at 410-313-4625.
